

## **Hannah Courtier**

I'm Hannah and I'm the Children's and Youth Leader here at Stanway Church. I have been doing youth work for many years and have been working for churches since I left University in 2012 where I studied a degree in Education and Children's Development.

I have a real passion for children's work and I strongly believe that it is our role to teach children and youth that they are wonderfully and fearfully made. Alongside my work at the church I am a Chaplain in two schools, one being Stanway Secondary.

I love writing my own curriculums, adding creativity and a modern spin on youth work! I have been brought up in churches since a young age however I found my own faith when I was in my early teens. I got married to David in October and in my spare time enjoy baking, socialising, walks and I am a big tea drinker!
